WINTER & SUMMER 11 | 12

Dear guests, dear friends of „Goldener Berg“ Family!

In this price list you will find the rates as well as packages for winter 2011/12 as well as for summer 2012. You will also find lots of offers and general information about Goldener Berg, Oberlech and Lech.

What's new?

As always, we renovated in almost every corner of the hotel. There are new wooden floors in the remaining rooms, which still had carpets. You will also find some changes in the bathrooms of your beloved room. The big building site however, this year was our kitchen. We will gladly show it to you, if you are interested as we are very proud of our new kitchen. On the terrace we now changed the service to "order men", which means for you as our guest, that the waiter is longer at your table and has more time for you. With these small computers the orders are sent directly into the kitchen. Therefore we also had to rebuild the whole office area. We also added parts of the buffet for our breakfast.

As always we do offer great summer- as well as winter packages, which are well worth to be looked at in this price list!

Winter: Family week (children stay for free in their parent's room), regular guest weeks (5% discount), winter golf week with a tournament, discounts on treatments in our Alpin Spa and many more.

Summer: Golfchallenge with two tournaments, motorcycling days, rock climbing week, cookery classes, wellness week, and many more.

For information as well as reservations our reservation team is always at your disposal under Tel: +43 5583 22050 or under info@goldenerberg.at. Further details can also be found on our homepage: goldenerberg.at. Many pictures and news can be found on [facebook.com/goldenerberg](https://www.facebook.com/goldenerberg). On [utube/erlebniswelt lech](https://www.youtube.com/erlebniswelt-lech) you can find movies about Arlberg and the hotel and on our [blog](#) you will get additional offers, info about the hotel, our partners, menus, wines and many more.

We are very much looking forward to your visit! Daniela Pfefferkorn and the entire golden team

Whether it's the "White Ring" ski race, the mountain half marathon, the winter triathlon (cycle, ski walk up the Madloch mountain on touring skis, ski down and run back), the summer triathlon (rowing, mountain biking, running), the Arlberg Classic Car Rally for fans of veteran cars – in Lech at Arlberg you can take part in fantastic competitions that are physically challenging but are more about having fun than anything else.

the arlberg – your holiday paradise in summer and winter!

The Arlberg provides fantastic sports opportunities throughout the year for both young and old.

In the summer you can enjoy:

Walking and hiking using the extensive network of hiking trails in and around the local area as well as far into the mountains and to neighbouring communities. The green ring – the equivalent to the winter's white ring – takes you from Lech to Zürs, then to Zug and back to Lech in three days, with signs and information provided along the way. Climb various rock faces and try our fixed rope route up Karhorn and Gampen. Mountain biking, nordic walking, jogging, a fitness trail, swimming, tennis, beach volleyball, crag, canyoning, paragliding, hang gliding and much more are available.

Cultural activities in Lech include the intellectual Philosophicum discussions every September. It's also easy to get to the Bregenz Festivals from here, as well as to the Schubertiade in Schwarzenberg. Several fantastic museums also put on exhibitions that change on a regular basis.

Alpine skiing is the main activity during **the winter**. But our cross-country tracks are also worth a look, and families have a lot of fun snowshoeing, nordic walking, hiking, tobogganing, horse sleigh riding, heli-skiing and on husky sledging tours.

In **culinary terms**, Lech am Arlberg has been named a world gourmet village. Nowhere else will you find so many award-winning restaurants in such a small area.

HOW TO FIND US?

The closest international airport is Zürich. From there you can take the daily Arlberg-Express shuttle service. The bus picks you up from the gate and takes you to the Lech-Oberlech mountain gondola and back! We organise it all for you. The airports at Altenrhein, Friedrichshafen on Lake Constance and Innsbruck provide flights from many German cities as well as London at favourable prices. From there you can take a taxi to Lech.

You can book your train journey to Langen am Arlberg either online or directly with the Austrian Railways. Your luggage can be conveyed from door to door – but please make it available at least one week prior to leaving for your holiday. Your reserved room is available from 15:00 on your day of arrival. We request that you check out of your room by 12:00 on the day of departure.

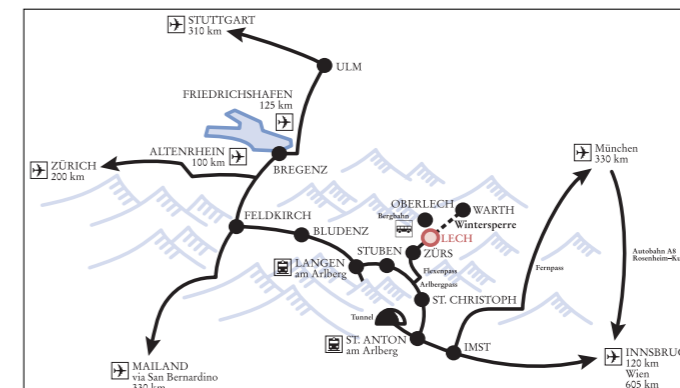

ARRIVAL WINTER

You will get to Oberlech and Goldener Berg by cable car from Lech. You then wander through a romantic winter wonder world approx. 100 m to Goldener Berg. You also can travel through our underground tunnel from the cableway to Goldener Berg. We take care of your luggage.

If you arrive by car, then please stop at the cable car station Lech - Oberlech. There we take your luggage and send it directly up to the Hotel. At the cable car station you will get a ticket for the underground car park "Anger" and a ticket to go up in the cable car.

ARRIVAL SUMMER

In summer, you can drive directly up to the hotel. Drive through Lech until you reach the end of the town and turn left onto the street to Oberlech. Then follow the signs for Hotel Goldener Berg: at the first crossroad turn left, passing the tunnel system, through which supplies are brought in winter, and after this, at the next junction, take the road on the right, which leads you higher up. When you arrive at the plateau you will see the Hotel Goldener Berg straight ahead.
